

Arts Council accepts proposals

The West Valley Arts Council is accepting proposals for upcoming solo and group art exhibitions.

The Avondale-based council presents fine art exhibitions featuring the work of West Valley artists in locations such as the Avondale Civic Center, Theater Works in Peoria, the West Valley National Bank in Avondale and Ground Control Coffee and Wine Bar in Goodyear. Artists residing in the West Valley, west of Interstate 17 and within Maricopa County, and ages 18 or older, may submit their art for consideration.

Up to 10 images in either slide or digital format will be accepted. Works submitted must be original works of art completed within the past five years. All two-dimensional mediums are welcome.

Each work must be clearly defined with the artist's name, title, dimensions and media. Artists can also submit a one-paragraph artist statement as well as a current resume.

Include name, mailing address, home phone number and an e-mail address. A self-addressed stamped envelope should be included for return of materials.

Accepted artists' materials will not be returned. For information, call the West Valley Arts Council at 623-935-6384 or e-mail Bernadette Mills at bmills@westvalleyarts.org.
